## Trustees

Randy Phelps KD8JN Robert Carswell KF8MR  
Dave Ost WD8FTU Craig Stucker N8KNW  
Chuck Henley N8LIV Dave Beltz WD8AYE

The C A R C meets the third Wednesday of the month at 7:30 PM.

NEXT MEETING IS SEPTEMBER 18TH at the EMERGENCY PREPAREDNESS CENTER.

ELECTION NIGHT

According to our By-Laws, the September meeting is Election Night. October 1 is the start of our next fiscal year. This year we only need to elect two trustees to replace the out going trustees. They are Randy Phelps KD8JN and Bob Carswell KF8MR, both having completed their three year term.

The other officers have just completed their first year of their two year term, so no replacements needed except for the office of President. With the resignation of our President, because of health reasons, we need a replacement for the balance of the current term, which is one year.

At the August meeting, nominations were opened for the trustee positions. They will still be open prior to the election. If you wish to run for the office of trustee or know of one that does want to run, please attend the next meeting and make the nomination.

At the next meeting, nominations will be opened for the office of trustee. If you know of one that does want to run, please attend the next meeting and make the nomination.

## MEMBERSHIP RENEWAL TIME

Boy, how time flies!!! It seems like just yesterday that we started our fiscal year but the end of this month is the end of the year. October 1, 1991 starts the 91-92 fiscal year and that means DUES ARE DUE.

In this issue you will find the membership information and an application for renewal. Please fill out and give (or mail) to Larry Schmader KBRMY, our Treasurer, with your dues payment.

Take care of your renewal before you forget it, so you will not miss an issue of the Feedline Bulletin with the popular monthly calendar.

## VOLUNTEER EXAMS

On Saturday August 31st, Volunteer Amateur Exams were conducted at the E.O.C. by Dick Stellarini WB8VUN and his fine team of accredited examiners.

Thirty hopeful participants showed up to take the code and theory test for all classes. Unfortunately many of them did not study enough and were not very well prepared. Out of the thirty participants, only fourteen were successful in up-grading. We now have eleven new Technician class (three of them no-code techs), one new Advanced class and two new Extra class for a pass rate of 46.6%, which is below average.

The two that are now Extra Class, are from out of Stark County, one from Wooster N8PHS and the other from New Philadelphia WA8BNH. On the local scene, Phil Costanzo NBIUG went from General to Advanced. Those upgrading from Novice to Tech includes Mark Ladnow KB8MHQ, Bernie Wickham KB8MSL, and Dick Haren KB8LEI. Two locals that came in with no license were Kenny Burch, from Canton, getting his Tech Plus and Roy Turner, also from Canton, passed the no-code Tech.

By county, we had fifteen from Stark County, eight from Tuscarawas County, three from Wayne County, one from Mahoning County and three from Columbiana County.

Upcoming volunteer exams sessions are Ravenna on September 14th (contact Joanne KJ3O on 274-8240), Norton on September 28th (contact Mary KA8MPH on 882-6387), Goodyear on October 26th (contact Tony KABICF on 836-8869) and back in Stark County on November 30th.

## CHAPTER 21 QCWA HOST FOR NATIONAL CONVENTION

Canton Chapter 21 of the Quarter Century Wireless Association will host the 1991 QCWA National Convention here in Canton, Ohio.

During the months of September and October, the McKinley Museum of History, Science and Industry, will display a wide variety of Radio and Transmitting equipment, covering the period of wireless through the

beginning of radio in the early twenties and thirties, when "Bread Board" building was the state of the art.

The display has been arranged by the members of the Canton Chapter of the Quarter Century Wireless Association. The event will coincide with the National QCWA Convention to be held at the Parkers Hotel on Everhard Road on Friday September, 27th and Saturday the 28th. Be sure and visit this display during September and October. It will bring back a lot of memories to the old timer and be very interesting to the newcomer.

If you held an Amateur License twenty five or more years ago and currently hold a valid Amateur license, you are eligible to become a member of QCWA. If interested in becoming a member or interested in attending one or more of the scheduled forums and/or attending the banquet dinner Saturday night (you do not have to be a member of QCWA to attend the convention), contact President John Edel K8LBZ, Convention Treasurer Larry Schmader K8RMY or Registration Chairman Denny Moriarty K8AGB.

The following forums are scheduled:

Friday 27th - 1300-1400 Harry Dannals W2HD (QCWA President)  
1430-1530 ARRL - Current Issues  
1600-1700 Solar Energy - Mike Bryce WB8VGE  
2000- Hamstrings' Sing-A-Long with Leo WOGFQ

Saturday 28th - 1000-1100 Antenna Design - Lew McCoy W1ICP  
1130-1230 Open Forum - Harry Dannals W2HD  
1230-1400 LUNCH (on your own)  
1400-1500 New ARRL Video - Roy Neal K6DUE  
1600-1700 QCWW - Mary K8ONV  
1900 Banquet Dinner - Speaker - Roy Neal K6DUE

Contact Janet Edel (Tour Chairman) on 832-5932 for Tour info and to sign up.

Like many, if not all non-profit organizations, the McKinley Museum depends largely on VOLUNTEER help. If you have some time available, call the museum on 455-7043, ask for Volunteer Coordinator.

Iotas abt WABAIU - Earl Snyder -

relics - houses and buildings he liked voices etc

Earl has been interested in all types of radio since he was a boy of nine or ten. This was an easy time to become infatuated with radio. Everyone was marvelling at the magic that produced music and voices from that trumpet horn shaped speaker. He loved radio and wanted to become part of it in some way, somehow. To him, it was the greatest thing since sliced bread.

He was born in Akron, OH. to parents that believed that time was a precious commodity so they saw to it that his time was used to good advantage. They felt that music should take up part of every child's life so they found a good teacher and Earl was soon trying to unravel the mysteries of the clarinet. He was an excellent student and progressed rapidly. It was no problem getting him to practice, he loved it and in a short time he was playing lead clarinet in a German band that played in the area. He dearly loved to play the fast stepping Polkas and many other German dances. It was a real happy time in Earl's life. One day though as he sat meditating of the greater facets of life, he said to himself, "You know, I don't think that I will ever be able to play as well as Artie Shaw or Al Hirt so maybe I had best look for a more stable income".

He scouted around and took a job with Cut Rate Drugs. The job was not the greatest as Earl recalls but the fringe benefits were great. There was a pretty little girl working there named Marylan Ulrick and they hit it off from the start. Earl chased her till she caught up with him and they were married in July of 1942. They have one lovely daughter, Lynn Murphy and a dandy grandson, Michael.

Over the years, Earl has held positions with Wilmark, City Loan and then a company called Beacon Co. This was the company that had the commercial on the air waves, "Call Sherwood 5-1151" Remember? They expanded and became Wayside Furniture then expanded again into the Northeast Renting and Leasing Co. Earl was the General Store Manager for 35 years and retired from that position in 1986.

Since retirement, every day is Friday and he has been enjoying life with Marylan in their Airstream. They winter in Florida and spend the summer up here. Earl was installed as the president of the WBCCI Radio Club this July in Duluth Minn. Like I said in the beginning, Earl is in all phases of radio. Member of ARES, ARRL, past president of the CARC, Skywarn, CARS, CARDS, QCWA, 10/10 #36509 and ARRL certified VE.

We wish you and Marylan well Earl and all the best on your 49th wedding anniversary this past July and we thank you for all that you have done to make the hobby of radio better for all of us.

"Ole Otis"
